

2017 IMPACT

Because of you...

EXPLORING

Because of you, more than 1,000 children and adults with developmental disabilities enjoyed nearly 20,000 trips in 2017 to become more engaged in their communities throughout Northeast and

Central Ohio. Whether they are residents at our Center for Children with Disabilities, adults who attend our Constant Companions program, or participants in our Addventures, Community Connections, or Franklin County Rec programs, participating in community life provides fun and stimulating experiences for the people we serve – and helps to break down barriers to make our world more inclusive.

WORKING

People with developmental disabilities are willing, able and ready to work! Hattie Larlham's work training and Doggie Day Care programs, Summer Youth Work Experience, and Columbus-based Add's "Transition To

Work" program together helped more than 300 teens and adults further their journey toward a future that includes work.

SHARING

VOLUNTEERS create connection and impact! In 2017, volunteers put in 9,861 hours, lending time, talent, and friendship to people with disabilities at Hattie Larlham locations statewide.

LIVING

The children and adults who live in a Hattie Larlham or Add residence enjoy opportunities to explore their communities, the social and emotional benefits of living among peers and building relationships, a sense of independence, and

the power to make choices for themselves – all while still receiving the care they need. Our Center for Children with Disabilities, community living homes, and shared living families welcomed 376 residents in 2017.

BLOSSOMING

The Dahlberg-Gibson Learning Center in Columbus provided creative early learning opportunities to 89 special needs toddlers and preschoolers.

BECAUSE OF YOU...

Hattie Larlham's impact in 2017 was possible because of the people, companies, and organizations listed here. Thank you for investing in our mission of providing comfort, joy, and achievement to the people we serve. We couldn't do it without you!
