2014 Annual Report

# Beginni

Hattie Larlham's legacy began with just one child and a simple mission to provide comfort, joy and achievement for people with intellectual and developmental disabilities. As we have expanded our array of programs and services, our growth remains firmly anchored in that legacy.

In the following pages, you will see your support's impact and discover the many ways you can be a part of the Hattie Larlham community.

People with intellectual and developmental disabilities are playing an increasingly important role in our community. They are our neighbors, our coworkers and our friends. Hattie Larlham grows and adapts to meet the needs of the people we serve, fostering independence and encouraging people with disabilities to be part of the community.

The pediatric ventilator program embodies this vision at the Center for Children with Disabilities. Children with respiratory requirements receive around-the-clock care and treatment. The program transitions these children out of hospital care and prepares them for a safe and successful return home.

Growing within the community, Hattie Larlham is creating more work opportunities for adults with and without intellectual and developmental disabilities.

Opening in 2016, Hattie's Food Hub is our most recent opportunity for people with intellectual and developmental disabilities to join the community. Employees of the food hub will receive more than just work experience. They will play an integral role in downtown Akron's healthy eating movement.

Growth is a benchmark for progress. Grow with Hattie Larlham and support new initiatives that encourage the people we serve to be part of their community.

# Learn

Learning new skills helps the people we serve reach their full potential.

Adults with intellectual and developmental disabilities receiving work training learn the job skills they will need to be successful in the restaurant industry, gardening, pet care and customer service.

Constant Companions participants learn to nurture domestic animals and interact with peers.

Hattie's Preschool establishes an educational foundation that lasts a lifetime.

With these and other programs, Hattie Larlham prepares a generation of children and adults with intellectual and developmental disabilities to live and work independently in the community of their choice.

Hattie Larlham creates opportunities for people with intellectual and developmental disabilities to express themselves and participate in the world around them.

At the Center for Children with Disabilities, we create opportunities for children and adults to experience and celebrate meaningful moments in their lives. Earning a new Girl Scout badge, crowning the prom king and queen or receiving their high school diplomas are experiences people with intellectual and developmental disabilities share with their typically developing peers.

In our community we create opportunities that encourage creative expression and community involvement.

Hattie's Creative Arts now provides art classes to Constant Companions participants. This cross-program opportunity connects artists with intellectual and developmental disabilities to the community.

These opportunities and life experiences create a sense of belonging and purpose for people with intellectual and developmental disabilities.

create

What took a village now requires a community. Hattie Larlham partners with like-minded organizations and individuals to build opportunities for people with intellectual and developmental disabilities to become part of and contribute to their community.

Last year, Hattie Larlham and ADD (the Association for the Developmentally Disabled) partnered to provide services to nearly 3,000 children and adults with disabilities.

Hattie Larlham partners with Fortune 500 companies, other nonprofit groups and individual volunteers. Each brings a unique perspective and resource to Hattie Larlham's mission.

We believe that comfort, joy and achievement should extend beyond our programs and services. It should be a community ideal for all of us to work toward.

# Connect

Stories of success, progression and achievement happen every day. Connect with Hattie Larlham online and see how your support impacts the lives of people with intellectual and developmental disabilities.

To click share on Facebook or retweet on Twitter is to advocate for Hattie Larlham. When you engage with Hattie Larlham's social media, you tell family and friends our mission is something in which you believe.

Join us for a tour of the Hattie Larlham Center for Children with Disabilities, Constant Companions or work training programs. Invite your family, friends and coworkers to join you. With your help, we can connect the people we serve to our community.

Hattie Larlham is grateful to the volunteers who donate their time, talent and resources to improve the lives of people with intellectual and developmental disabilities in our community. This gift is invaluable and provides long lasting memories and life experiences for the people we serve.

**In 2014, volunteers gave an estimated 4,450 total hours to Hattie Larlham.**

**3,363** service hours at the Hattie Larlham Center for Children with Disabilities

**638** service hours at Constant Companions

**449** service hours given throughout the community to support Hattie Larlham

We have made a commitment to provide the care and experience that people with intellectual and developmental disabilities need to successfully become part of the community. We appreciate the hard-working staff at Hattie Larlham who dedicate their time to those we serve. However, fulfilling our mission would be impossible without the community's support.

We have come a long way from the Larlham farmhouse. It is no easy feat to provide quality care, on-the-job experience and socialization opportunities for more than 1,500 people with intellectual and developmental disabilities. We require a vast amount of resources, hard work and dedication to deliver on Mrs. Larlham's promise of comfort, joy and achievement.

It takes a commitment from each of us. Each donor, company, foundation and organization listed on the following pages made a commitment to improve the lives of those we serve. Your donations, time and resources impact the lives of people with intellectual and developmental disabilities throughout Northeast Ohio.

With your support and continued dedication, we will grow and explore new initiatives to enhance the lives of the people we serve. We will provide the opportunity for children and adults with disabilities to learn new skills. We will create memories that would not be possible without Hattie Larlham. This year, we encourage you to connect with Hattie Larlham. Let us continue our partnership so that we can provide endless opportunities for people with and without intellectual and developmental disabilities.

On behalf of all of us at Hattie Larlham,

To our generous donors, thank you. From January 1 to December 31, 2014 the following people, companies and organizations have invested in our mission of comfort, joy and achievement. Your important contribution to Hattie Larlham improves the lives of people with intellectual and developmental disabilities in our community. Thank you.
